All families applying for an EdChoice-Expansion scholarship must have their income verified by the EdChoice Office. When applying for an EdChoice-Expansion scholarship **for the first time**, the total household gross income must be at or below 250% of the federal poverty guidelines (see chart above). All new EdChoice-Expansion applicants must have a household gross income of 250% or lower to be awarded a scholarship.

Families **renewing their child’s EdChoice-Expansion Scholarship for the next school year** will be awarded an amount based on where their family’s household gross income falls on the federal poverty guidelines:

- **0% - 250%** = full scholarship = maximum award of \$5,500 K-8, \$7,500 9-12
- **251% - 300%** = 75% of the scholarship = maximum award of \$4,125 K-8, \$5,625 9-12
- **301% - 400%** = 50% of the scholarship = maximum award of \$2,750 K-8, \$3,750 9-12
- **Over 400%** = cannot renew the scholarship

Only scholarship families with a household gross income of **200% or lower qualify for low-income status**. This means that the private school cannot charge these families for any tuition that is not covered by the scholarship.

Scholarship families with a household gross income of **201% or higher** are responsible for paying any tuition difference not covered by the scholarship.
