

TOLEDIAN GAZETTE

As we bid farewell to the golden leaves and the cozy sweaters, we welcome the arrival of November and the holiday season just around the corner. October has been an eventful month, and we are excited to share some highlights and updates with you in this end-of-month newsletter.

Your support and engagement continue to make a significant impact, and we are grateful for your involvement in our shared mission of providing great support for our students.

Celebrating Student Success:

We ended our first quarter and we are encouraged of the achievements met by students. It is great to see our students demonstrating dedication and commitment towards their academics. Their success is a testament to their hard work and the support they receive at home and in our school. On Friday November 3 at 8:15am we will recognize our students who have achieved honor roll. (Grades 3 - 8)

Parent-Teacher Conferences:

Parent-teacher conferences took place this month, providing an invaluable opportunity for parents and teachers to discuss student progress, goals, and any concerns. We appreciate your active involvement in your child's education.

We are incredibly grateful for the support, dedication, and enthusiasm of our students, parents, teachers, and staff. Together, we create a warm and nurturing environment for our students to thrive.

As we step into November, we look forward to another month of learning, growth, and community involvement. Thank you for being a part of our Toledo Junior Academy family. Please know if you have any questions or would like to get more involved, please don't hesitate to contact us. (Tel: 419-841-0082 or email: secretary@toledojunioracademy.org)

6-8 GRADE SCIENCE & OUTDOOR LEARNING

This past month our 6 - 8 grade students continued with outdoor learning and they have taken their science class into the outdoors and dug up worms from our campus ground and was able to learn and bring their specimens into the classroom where learning continued.

A special thanks to Rohr Fish Inc. for they specimens they have sponsored for our class assignment!

ADVENTIST EDUCATION
Journey to Excellence 2.0

FIELD TRIP KINDER - GRADE 2

K-2 - Gus Brothers Pumpkin Patch

Toledo Imagination Station field trip grades 3- 8

After our unannounced fire drill last Thursday, the Toledo Fire Department kindly took some time to show our K-2 students the fire engine. Additionally, they discussed how they load the fire truck and get ready for a rescue. One of the firefighters even dressed in uniform to demonstrate how quickly they need to prepare for a scene. We would like to express our gratitude to the Toledo Fire Department Heroes for their tireless efforts in keeping us safe!
