

# TOLEDIAN GAZETTE

SEPTEMBER EDITION

We have been in school for six weeks, and it is astonishing how quickly the time goes by. We will bid farewell to our first quarter in only 3 weeks. We have said farewell to summer, and autumn is here. We have made it thus far knowing that God has aided our advancement. We humbly request your continued support as we and our students work to accomplish excellence at TJA. We aspire to continue to inspire, ignite, and innovate our students on a daily basis.

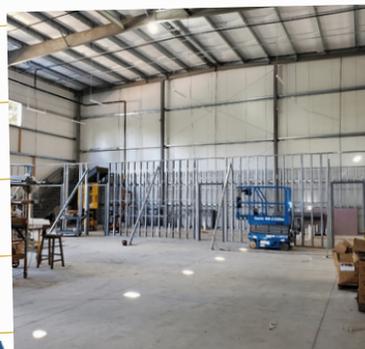

Shaun Lazarus,  
Principal

We are excited to see how the development of our new gym is progressing. Our expected time of completion is December 2023 and we are hoping for the best so that come February we would be able to use our gym for activities.

# 1ST AND 2ND GRADE LEARNING

This past week our 1st and 2nd grade students started to work on their new lego set. Mrs. Garman, was able to introduce them to think outside the box and to be creative as they work on building with the blocks. They were excited and enjoyed their time learning. They learned about teamwork and respecting each others thoughts and most important being innovative with their ideas.
